PROPOLIS Oléoactif® TL | Premium anti-wrinkle

- Scavenges free radicals by 1500 times more than the control
- Helps keep the skin healthy by increasing antimicrobial power up to 67%
- Promotes collagen 1 synthesis by +26% after 10 days
- Fills wrinkles by decreasing wrinkle depth up to -24.5% and smoothes skin by homogenizing microrelief surface up to +26%

INCI: Helianthus Annuus (Sunflower) Seed Oil (and) Propolis Extract

OLÉOBOOSTER®

Micro-structured oil-based extracts stabilized by Oléo-éco-extraction patented green process

HAIR Oléobooster® | Thermo-protective

- Acts as a natural antioxidant shield against UV-induced color fading and loss of shine
- Strengthens the cuticle barrier, preserves from temperature increases during drying/hair styling

INCI: Cocos Nucifera (and) Acacia Concinna Extract (and) Tamarindus Indica Fruit Extract

LIFE Oléobooster® | Energizing *Sud de France*

- Preserves optimal energy level in cells by protecting the mitochondria function, reducing aconitase expression by -28%
- Prevents cell's fatigue by boosting the total collagen network by +11%

INCI: Brassica Campestris (Rapeseed) Seed Oil (and) Polyglyceryl-3 Diisostearate (and) Cistus Monspeleisensis Extract (and) Stevia Rebaudiana Extract

TAN Oléobooster® | Tanning

- Increases melanin production, boosting tyrosinase activity up to +85.2%
- Helps to accelerate the tan without prolonged exposure to the sun

INCI: Sesamum Indicum (Sesame) Seed Oil (and) Tyrosine (and) Calophyllum Inophyllum Seed Oil (and) Glycerol Stearate

YOUTH Oléobooster® | Protecting

- Provides a strong antioxidant activity and increases anti-free radical capacity by +40%
- Protects against aging signs

INCI: Brassica Campestris (Rapeseed) Seed Oil (and) Zingiber Officinale (Ginger) Root Extract (and) Alpinia Officinarum Root Extract

WATER SOLUBLE ACTIVE

Water-soluble active ingredient designed by using a chemical-free ultrasound extraction process

EuroI® BT | Multifunctional active ingredient from olive leaves

- Protects skin lipids against oxidation – *in vitro*
- Reduces release of IL-1 α and final irritation index of the formulation – *in vitro*
- Protects against heavy metals – *in vitro*
- Inhibits the lipid peroxidation (MDA) induced by pollutants and cigarette smoke exposure – *ex-vivo*
- Demonstrates anti-acne activity on acne prone skin at 1% – *in vivo*
 - 27% decrease of cutaneous sebumetry after only 15 days of treatment
 - 19% reduction of skin redness

INCI: Olea Europaea (Olive) Leaf Extract, Water

EuroI® BT is available in powder as well as liquid form.
